It is becoming more and more important for me to have your email address. Because of costs, we only send out one paper newsletter per year, this one. All other communications come via email. If you don't have one, do you know a family member willing to pass on to you about 12 small eMails a year. Send me that address. If you still can't get email, Breaking news will be posted on the club website. This will be our emergency method of communicating. If you have not gotten emails from me at least once a month, please forward your e-mail address to lesl@edinborosportsmen.org. And Lastly, please allow emails to be received, I am not spam. Thank You~~!!

Lake Edinboro Sportsman's Club Junior Trapshooting program:

We had an outstanding season with great individual and team results during their competitive season. 26 youth participated in our Junior SCTP and Newbie shooter program in 2019. We had an outstanding season with great individual and team results during their competitive season. Many of our youth recorded personal best scores during competitions and several recorded their first "25", "50", "75" and "100" straight targets. The first competition of the season was the Bay City Sportsman's Club SCTP and AIM events. Our sub-junior squad members Chase Beck, Brody Beck, Garrett Hodak, Kole Repine and Vinnie Vittorio won their event. Hailley Ruhl was Top female competitor in the SCTP event and 2nd place female overall.

The capstone of the season was our youth's success at the PA State Championships and SCTP National Championship event. 22 shooters participated at the PA State Championship. The Sub-junior squad of Chase Beck, Brody Beck, Garrett Hodak, Kole Repine and Vinnie Vittorio were runner-ups in the state championships. Several individuals placed at the state competition as well; Kole Repine placed 3rd in his singles sub-junior class. During the handicaps event, Hunter Phillips was the junior champion, Chase Beck was the sub-junior champion and Garret Hodak finished 3rd in sub-junior. 12 youth participated at the Ohio State SCTP Championship at Marengo, OH. Our junior varsity squad of Zach Lang, Seth Lang, Vinnie Vittorio, Kole Repine and James Sherman placed first in the non-resident category. Zach Lang and Vinnie Vittorio placed 1st and 2nd respectively in the individual non-resident junior varsity category, Jordan Rhoades was 2nd place non-resident Intermediate Entry and Hailley Ruhl was non-resident lady champion.

We took 12 youth to the SCTP National championships at Marengo, OH. Zach Lang shot his first ever 100 straight during the competition and finished 14th in place after 200 targets. Our open category squad of Hailley Ruhl, Logan Gage, Zach Lang, Seth Lang and Tanner Sliker finished in a very respectable 13th place.

We are all looking forward to the 2020 season and hope to improve upon our successes of this year. As our youth continue to develop their skills, we hope to have more participation at the National Championships while it is being held in Ohio. It was an impressive event that every one of our youth should have the opportunity to compete.
