Memberships:

2021 LESL memberships are due January 1st 2021. You should have received an application last month with your key card for the main gate. A current membership is required to use the ranges and shoot in any sponsored club league. If you have misplaced the application you can go to our website www.Edinborosportsman.org and print off a new copy. Any membership not renewed by January 31st will have their key card deactivated.

Winter Skeet League:

Our interclub winter skeet league will begin Tuesday, January 5th 2021. We still have some openings for teams and individual shooters. Please e-mail or text your team or individual name to bearcamp313@gmail.com or 882-9178 to reserve your spot. First come first serve we only have room for a maximum of 12 teams. Rules and information about the league can be found on our website link

Traveling Winter Skeet League:

The Traveling Winter Skeet League has been canceled for the 2021 season because of Covid 19

2021 LESL pin contest:

Congratulations to Josh Zelina for submitting the winning design for our new pin. It sums up the times! Pins can be picked up at the club during Tuesday night skeet shooting or Wednesday meeting night.

Main Gate:

Our new key card activated gate has been installed and is operational. Special thanks to Mike Zewe of Zewe Electric for getting us wired up. New surveillance cameras will be installed at the gate soon and have already been installed at the range. Incidences of careless activities have been reduced to zero!

Thank you to everyone. It leads us to believe that the problems were being caused by non-members. Every current member should have received their own personal key card with a corresponding number. We now have the ability to track who enters and exits the club grounds.

Lake and Valley Trap League:

Some of the shoots have been cancelled due to Covid 19. Check the website for information
