

Lake Edinboro Sportsman's 2018 Tri-State Coyote Hunt

Thank you to all of the hunters that made our 1st annual Tri-State Coyote Hunt a big success! We had 150 hunters that registered for this year's event. A total of 38 coyotes were harvested this year, of which, 28 were brought in for weighing. We are able to award a total of \$2,200 in prize money this year! For each of the 28 coyotes, \$25 will be awarded to the hunters that brought them in to be weighed. In addition, the record harvests and corresponding prize money that will be awarded for 2018, are as listed below;

Place	Hunter	Coyote Sex (M/F)	Coyote Weight (lbs)	Prize \$ Awarded
1 st	Matt Mitchell	M	47.49	\$1,0000
2 nd	Charlie Evanoff	M	43.72	\$180
3 rd	Bill Leehan	M	41.80	\$120
Heaviest Female	Chip Webster	F	41.34	\$300

Thank you again, to all hunters that registered this year and we will need your help next year in making the 2019 Tri-State Coyote Hunt an even greater success! The amount of prize money we are able to award each year depends on how many hunters that register for the Tri-State Coyote Hunt, so be sure to spread the word about the hunt for next year!

Hope to see you all next year!
